- #IChooseMHA because without a substantial base funding increase, wait times will only grow longer and services will be less available. www.ichoosemha.ca
- #IChooseMHA because without more base funding, the community mental health and addictions sector will continue to lose talented staff to high rates of stress and burnout. www.ichoosemha.ca
- Service providers in the community mental health and addictions sector have been historically underfunded. It's time to vote for the candidates that will invest in the community mental health and addictions system. #IChooseMHA www.ichoosemha.ca
