Posts

- #IChooseMHA because for those struggling with a mental health and addictions issue, getting off a wait list and into care is more important than any other election issue. www.ichoosemha.ca
- #IChooseMHA because pandemic recovery includes mental health and addictions care for all Ontarians. www.ichoosemha.ca
- Without increased infrastructure funding for community mental health and addictions, wait times will only grow longer and services will be less available. #IChooseMHA www.ichoosemha.ca
